TIBURON PENINSULA VILLAGE NEWSLETTER

JULY 2020

HAPPY 4TH OF JULY

WELCOME TO OUR NEWEST VOLUNTEER!

Linda Blackwell

Linda is a 27-year resident of Tiburon and has worked healthcare for over 24 of those years. She's currently a part-time physical therapist. Thank you for giving your time and energy to our village!

LOCAL VILLAGE EVENTS (open to all, unless noted)

For the foreseeable future, our regular monthly programming will be morning coffee every second Thursday of the month at 11:00am via Zoom, and a happy hour every third Tuesday of the month at 4:00pm, also via Zoom. Watch for an email from Cherie Sorokin approximately three – five days before each event and again on the date of the gathering. Mark your calendars for these monthly events. We may have other Zoom programs just for TPV during some months as well, but none are planned for July. By the way, if you have an idea for a program, just call or email Cherie or Gatian Cunningham. Cherie's email is below. Gatian's is gatianc@comcast.net

Note: Did you know you can telephone into a Zoom meeting if you don't want to try using the screen on your computer or mobile phone? Works just like a conference call. You can hear and talk to people, but you won't be able to see them, of course. For more information, call or email Cherie Sorokin. Cheryl.Sorokin@gmail.com or (415) 789-5305

TIBURON PENINSULA VILLAGE ANNOUNCEMENTS

Fire season is ahead. TPV received a generous grant from the Rotary Club of Tiburon Sunset to purchase transistor radios and LED lanterns to add to the emergency kits we together delivered to TPV members last fall. In this time of COVID we can't stop by for a visit but will be delivering these new items to your doorstep. We will let you know when. The order for these additional items has just been placed and it will take about two weeks to get everything pulled together and ready for delivery.

AND MORE...

It's summer and gardens are blooming. These photos are of Cherie Sorokin's yard. Can you tell she has deer in the neighborhood? They are not fond of lavender, oleander, or certain cacti (but she says she's learned the hard way they find some cacti quite tasty!).

How are your gardens growing? Email Cherie some photos and we can include them in the next TPV newsletter! cheryl.sorokin@gmail.com
