March 2021 Newsletter

Is it already spring? The flowering crabapple in my front yard seems to think so. How about your gardens? Blooming yet? Send a few photos and we'll put them in our April newsletter!

By the way, for those of you without yards, there's a free Small Space Gardening program via Zoom on March 11 focusing on indoor gardening and small outdoor space gardening. Offered through the Marin IJ events with some real experts. Cultivate your garden—great for raising one's spirits! Here is the link to register for this event.

KEEP SAFE

Marin is now in the Red Tier—a step in the right direction, for sure! But remember, even if you have already received your COVID shots, masks and social distancing are still required, and indoor activities with those who have not been vaccinated or who are not in your social bubble

should be avoided. Keep washing your hands, too. Keep these old adages in mind: There's light at the end of the tunnel 😊; but we aren't out of the woods yet 😞; and better safe than sorry!!!

If you need help scheduling a vaccination, Marin Villages volunteers may be able to help. Call BJ in the office and she will find a volunteer to work with you on the scheduling. Remember there is now a drive-thru facility at the ferry parking lot at Larkspur Landing. Makes it a lot easier to get the vaccination! (415) 457-4633 or info@marinvillages.org

LOCAL VILLAGE EVENTS (open to all unless noted)

All the events below are offered on Zoom. If you are not yet comfortable with Zooming, we can provide one-on-one help. Just let the office know you would like a volunteer to work with you. info@marinvillages.org or (415) 457-4633
