MARIN VILLAGES EVENTS

Donate Your Stuff!

Marin Villages is planning a **fall rummage sale** as a fundraiser this coming September. We are looking for **LOTS** of clothing, shoes, jewelry, housewares, children's toys, tools, electronics, books, CDs and DVDs, linens, artwork, home décor items, easily portable furniture and sports memorabilia. (No silver, pewter, or holiday decorations, or big furniture or appliances, though.) Julie Friedman is TPV's representative on the working group that is pulling everything together. You can call her now if you have something you'd like to donate. She'll arrange for pick up or for someone to come take a look if you want them to check out what you have first.

julief1@yahoo.com or (415) 435-1632.

Watch for the flyer coming soon and please forward it to 10,000 of your closest friends. The more people involved, the merrier!

We have some storage space, but can always use more. If you have ½ or a full garage with some space, that would work.

AND MORE...

Are you ready for fire season?

Advance planning is critical for a safe and orderly evacuation when a fire occurs in your area. Important steps to take if you haven't already:

- **Sign up for alerts if you have a cell phone or voice over internet phone. Register with AlertMarin (www.alertmarin.org) and with Nixle (text your zip code to 888777). Note: landlines are already registered with AlertMarin.**
- **Check out the Get Ready Marin website for helpful information if you haven't already. <https://readymarin.org/>**
- **Create an emergency plan with your family or closest family friends so everyone knows where to meet up or where you will be if separated and what escape routes you have identified.**

- Stay alert and ready to move when there are red flag warnings, and especially evacuation warnings. Obey evacuation orders and, if possible, leave when the warning is issued, rather than wait for an official order to evacuate. Tune in to local radio stations for up-to-date information.
- Keep your emergency kits and “go bags” where you can easily find them. Include a mask and bandana to help protect against smoke. Don’t forget sturdy shoes and long pants and a jacket. Prepare pet carriers and pet food, if you have pets.
- Always keep your cell phone fully charged and your gas tank at least ½ full in case electricity is lost.
- Evacuate via car, rather than on foot. Only call 911 if you have no means of transportation and need to evacuate.
